

Pricing Guide 2025

**Pricing That Fits
Your Goals and
Budget**

At EM Logic, we bring brands to life through creative design and strategic thinking. From full corporate identity development to professional stationery, digital brand assets, and standout marketing materials, our goal is to help your business look as good as it performs. Whether you're building a new brand from the ground up or refreshing an existing one, we deliver cohesive design solutions that connect every touchpoint. Each package is thoughtfully designed to enhance your visibility, strengthen your identity, and leave a lasting impression on your audience.
